TAKING CARE OF PETS

6-7-8 YEAR OLDS

Read the statements below and make a drawing of each one:

Take your dog on long walks

Play with your dog

Wash your dog

We have learned that dogs should only eat dog food; can you think of two more meals a dog should NEVER eat? Write and draw what they are below:

Example

Pizza

Write 1 thing you already knew about taking care of a dog and 2 new things you have learned thanks to watching the video:

Something I already knew is...

1)

Two things I've learned are...
